

Copyright, offprint, and open access option forms

First page: Copyright form

This form is mandatory and should be returned to EDP Sciences with your corrected proofs.

Second page: Offprint order

If you wish to order printed offprints with cover, fill in this page. Note that for electronic only sections (Sects. 12 to 15), offprints are digitally printed.

Third page: Open access form

This form has to be filled in if you require that your paper go for open access. This form does not concern Letters and papers from Sects. 12 to 15, which are in open access for free.

Copyright Agreement

I hereby grant and assign the entire copyright in the article entitled

Metallicity of M dwarfs III. Planet-metallicity and planet-stellar mass correlations of the HARPS GTO M dwarf sample

and authored¹ by

V. Neves, X. Bonfils, N. C. Santos, X. Delfosse, T. Forveille, F. Allard, and S. Udry

to ESO.

The copyright consists of all rights protected by the worldwide copyright laws, in all languages and forms of communication, including the right to furnish the article or the abstracts to abstracting and indexing services, and the right to republish the entire article in any format or medium.

In return, ESO grants to the author(s) the non-exclusive right of republication, subject only to their giving appropriate credit to A&A. This non-exclusive right of republication permits authors to post the published PDF version of the above article on their personal and/or institutional web site(s), including ArXiv. The non-exclusive right of republication also includes the authors' right to grant reproduction of parts of your article wherever they wish, provided they request the permission to do so from the A&A Editor-in-Chief (aanda.paris@obspm.fr). To protect the copyright in the article, the following notice should be included in the credit: "Credit: Author, A&A, vol., page, year, reproduced with permission, © ESO".

Open access option (OAO)

EDP Sciences is in favor of a broad and easy access to all published scientific information. All the articles are published online and made accessible to subscribers as soon as the manuscript has been fully processed and edited. EDP Sciences offers the authors of A&A the possibility of making their papers freely available to all interested readers (subscribers or non-subscribers) as soon as they are published online. Please say below if you wish your article to be accessible to all readers.

☐ I accept to pay 400 €¹ (without VAT) to have my paper in free access. For E.U. countries, please add 19.6% VAT or **provide your V.A.T. Identification Number.**

☐ I do not accept

¹ This promotional price covers only a fraction of the publication costs.

Please fill in the following form and return it promptly with your proof. Prompt payment is advised, because the article will not be in free access until payment is received.

You can pay by credit card (fill in the form below), by credit transfer or, if it is your institution that will pay, please send **an official purchase order**.
